

PIERCE COUNTY 4-H HORSES

Working Ranch Horse Event Verification

To participate in the Working Ranch Horse events at Pierce County Fair youth must attend a minimum of two (2) pre-approved Working Ranch Horse cattle events; roping and/or sorting. This is done to ensure the youth have prior knowledge of their horse's ability to work cattle and/or work with a rope. In addition, youth must show their commitment to learning and expanding their horsemanship skills. (A separate form must be done for each event; roping or sorting)

Pierce County 4-H appreciates your help in this process and your support of the Working Ranch Horse program and our youth. – Thank you
